Logging into Xitracs Portal

Log into the Xitracs Portal with your UGA MyID and password: <u>https://uga.xitracs.net/portal.htm</u>

If you are having trouble logging into the Portal, please contact Maggie Parker at mcparker@uga.edu.

NOTE: If you already have access to Xitracs for other functions (LOA reporting, SACSCOC reporting), you likely use the Xitracs SYSTEM User view. Unfortunately, web browsers will often confuse these two URLs (the System and the Portal views), causing issues. In these instances, there are two options for accessing the PORTAL View:

- 1 open an incognito/private window in your browser and type in the Portal URL above, or
- 2 use a different browser to access the Portal view (than you use to access the System view).
